Subject : NIPPON SODA CO.,LTD. announces price increase for Liquid Polybutadiene (NISSO PB) .

Effective May, 2018, or as contract terms permit, NIPPON SODA will increase prices on Liquid Polybutadiene (NISSO PB) sold into all grades by up to 10-30% according to grades / packing size.

NISSO PB has been produced since 1970, and NIPPON SODA has diligently made efforts and will continue working to offset rising production facility maintenance costs. However, it is not possible to absorb all of these rising costs. The following are the affected products:

B-1000, B-2000, B-3000, G-1000, G-2000, G-3000

TE-2000, TEAI-1000, JP-100, JP-200, NT-1008

GQ-1000, TP-1001, BC-1000

BI-2000, BI-3000, GI-1000, GI-2000, GI-3000

For more details, customers are asked to contact your known NISSO representatives.
